Dear Mayor Cunningham:

Contract #3CA61445 between the California Department of Forestry and Fire Protection (CDF) and the City of Redlands provides for wildland fire protection services on 4,480 acres of land within the city boundaries. The Fiscal Year 97/98 amendment to this agreement expires on June 30, 1998.

Annual amendments are required to reflect any changes in CDF's cost for providing this service. Rates are based on the 3-year average fire protection costs on CDF protected lands. The rate for Fiscal Year 1998/99 is \$7.71 per acre plus the administrative fee of 11.13%. The total FY 98/99-agreement cost for the City of Redlands is \$38,385. If the City wishes to continue this agreement for FY 98/99 at the rate and costs noted above, please sign below and return to me with a copy of the City Council minutes authorizing your signature for this purpose.

Please return this document by July 1, 1998. If you have any questions, please call me at (909) 881-6900.

Sincerely,

Paul L. Benson
