Dear Mayor DeMirjyn:

The State proposes to amend the original contract entered into September 18, 1990 wherein the State provides wildland fire protection within the City of Redlands. This amendment estimates cost of service for 4,480 acres at \$6.00 per acre and an 11.13% administrative fee for a total of \$29,872 during 1992-93 fiscal year. If this is acceptable to the City of Redlands, please sign below and include proper documentation (council resolution and signature authority for the amendment).

This contract is conditional upon appropriation and availability of funds for purposes of this contract. In the event such funds are not sufficient in the budget act for the fiscal year concerned, or are insufficient to carry out the purpose of this contract, each party agrees to release the other from all obligations.

All other conditions of the original contract remain in full force and effect.

Please call me at (714) 881-6900 if you have any questions.

Sincerely,
