RE: COOPERATIVE AGREEMENT NO. 04-1053

Dear Mr. Griffiths:

On October 5, 2004, the County of San Bernardino Board of Supervisors approved Cooperative Agreement No. 04-1053 between the County and the Cities of Redlands and Loma Linda for the project to install a traffic signal at the intersection of San Timoteo Canyon Road and Barton Road. The City of Redlands has revised the cost for this project due to recent material cost hikes. The project cost is now \$411,427.02, which is 105% above the amount agreed upon in the cooperative agreement. Of this amount, the County's share of cost is \$102,856.75 (25%), an increase of \$52,856.75, the City of Loma Linda's share of cost is \$102,856.75 (25%), an increase of \$52,856.75, and the City of Redlands' share of cost is \$205,713.52 (50%), an increase of \$105,713.52.

Pursuant to Section 4.11 of the cooperative agreement, due to the cost overrun exceeding 25% of the County of San Bernardino and Cities of Loma Linda and Redlands mutually agreed upon project cost, an amendment to Cooperative Agreement No. 04-1053 is required.

Enclosed for your review and approval are three amendments to the above mentioned agreement. Please obtain the appropriate signature and return all three copies to my attention. Once all signatures have been obtained, one fully-executed copy will be returned for your file.

If you have any questions, please contact Haile Ford at (909) 387-8168.

Sincerely,

BRENDON BIGGS, P.E., Chief
Transportation Planning Division
