SUBJECT: COUNTY/CITY OF REDLANDS/CITY OF LOMA LINDA COOPERATIVE AGREEMENT
RE: CALIFORNIA STREET AT REDLANDS BOULEVARD

RECOMMENDATION: Approve cooperative agreement between the County and the Cities of Redlands and Loma Linda for the design of improvements at the intersection of California Street at Redlands Boulevard.

BACKGROUND: The County and the Cities of Redlands and Loma Linda recently participated in a cooperative planning study to review alternatives for improvement of the subject intersection and now propose to jointly fund the design of improvements needed to increase traffic safety and capacity. The County is designated as the lead agency in the agreement and plans to contract for consultant services for the engineering work.

The agreement has been executed by the Cities of Redlands and Loma Linda.

REASON FOR RECOMMENDATION: The agreement is needed to set forth the responsibilities of the involved parties in the administration and funding of the design project.

REVIEW BY OTHER DEPARTMENTS: On November 21, 1986, the agreement was approved as to legal form by Deputy County Counsel Ed Robinson. On November 20, 1986, the agreement was found to be consistent with the County Affirmative Action policies by the Department Contract Compliance Officer.

FINANCIAL DATA: The total cost of the proposed design project is estimated to be \$30,000 and will be shared by the three agencies based on the relative amount of traffic reaching the intersection from each of the jurisdictions. The County's share of the cost shall be limited to \$4,200 and will be funded from the Future Projects Line Item of the 1986-87 County Road Fund Budget.
