(\$5,000.00.) The above 3% base salary increase shall be calculated upon the base salary as first adjusted by the \$5,000.00 increase.

- C. All Unit employees are responsible for the employee contribution to Social Security and Medicare.
- D. The Salary Range Table (Appendix A) is established to provide the minimum and maximum salary levels for each Department Director position.
- E. The City recognizes that to recruit and retain well-qualified Department Directors and enhance their management capabilities in areas such as leadership and accountability, Department Directors should be compensated appropriately for exhibiting accountability, cost effectiveness, the ability to apply new technologies and maximize the utilization of human, physical and fiscal resources; for exerting leadership to enhance the mission of the City; and for stimulating the development of people and methods which will facilitate the meeting of City goals and objectives.
- F. To facilitate and enhance effectiveness and productive efforts of Department Directors, salary and benefit levels will be reviewed on a periodic basis and may be adjusted from time to time, within the budget appropriation levels established by the City Council for compensation for Department Directors. This review will consist of the following two components.
 - 1. Performance Evaluations:
Progression in the salary range for Department Directors shall be based on the Director's performance. The City Manager shall be responsible for evaluating the Director's performance.
 - 2. Compensation (Salary and Fringe Benefits) Survey:
The compensation philosophy for the City of Redlands is to establish a compensation package that will attract the highest caliber individuals. Therefore, the second component will contain comparisons with other similar agencies within the appropriate job market. These factors will be utilized to consider salary and benefit levels that will facilitate continuation of this philosophy.
- G. Eligibility for one-time per year performance-based distributions. At the commencement of each fiscal year which commences on or after City Council adoption of the 2013-2015 MOU, the City shall make available for the purpose described herein, the cash equivalent of the value of a $\pm 2\%$ base salary increase for all filled positions within the unit. Prior to the conclusion of the applicable fiscal year, the City Manager shall in his sole discretion have the authority to utilize any or all of the allocated funds to provide a one-time cash distribution to any one or more unit members. Subject to the limitation that the cumulative value of the City Manager-distributed one-time payments shall not exceed the total value of allocated funds for that fiscal year, there is no minimum or maximum amount that the City Manager may award to any individual unit member. Additionally, the City Manager also has discretion to issue no one-time awards. (01/24/14)

In exercising his discretion in this regard, it is only that individual(s) in the unit that has exhibited what the City Manager in his sole discretion determines to be "exceptional" performance during the applicable fiscal year, that shall be eligible for receipt of a one-time distribution. The distribution shall not impact the unit member's salary range or step.
