This Agreement is made and entered into as of the 1st day of July, 1995, by and between the CALIFORNIA HIGHWAY PATROL EMT-P TRAINING PROGRAM, hereafter known as "CHP" and CITY OF REDLANDS FIRE DEPARTMENT, hereafter known as "PROVIDER".

WHEREAS, PROVIDER has facilities, equipment and personnel for furnishing field internship experience to officers participating in the CHP EMT-P Program and agrees to make its resources available for this purpose with no charge to the State;

THEREFORE, the parties agree as follows:

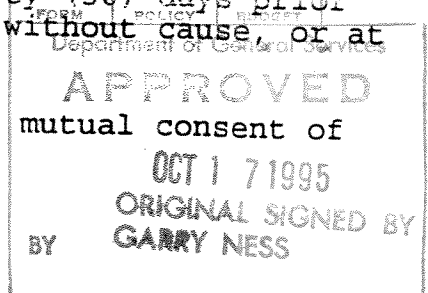

1. PROVIDER shall provide a supervised field internship experience to CHP paramedic trainees for a mutually agreed upon period of time prior to the beginning of each trainee's internship. 2. PROVIDER will conduct evaluations on trainee(s) performance. An evaluation form and instructional guidelines for each trainee(s) will be provided by CHP.

4. CHP shall assure trainees:
 - a. Follow local EMS policies and procedures.
 - b. Maintain their uniform in a clean and serviceable manner and wear a name tag stating "EMT-P Trainee".

8. CHP shall defend, indemnify and hold harmless the City of Redlands Fire Department, it's elected officials, officers, agents, and employees from any claims, liability, demands, costs and expenses caused by the negligent or willful misconduct of CHP or it's trainees in performing any duties and responsibilities pursuant to this Agreement. City of Redlands shall indemnify and hold harmless the CHP, including its officers, agents, employees, and trainees from any claims, liability, demands, costs, and expenses caused by the negligent or willful misconduct of City of Redlands in performing its duties and responsibilities pursuant to this Agreement.
9. The PROVIDER and the CHP each agree to maintain in full force and effect general liability insurance or a comparable plan of self-insurance in an amount of not less than \$1,000,000 in order to protect their officers, agents, employees, and students against claims, suits, or liability to persons or property arising from the joint participation in this program.
10. CHP agrees that should PROVIDER need allocated field internship training times for employees, or prospective employees, of their organization, and there is conflict with CHP field internship training, such scheduling conflicts between CHP interns and PROVIDER will be resolved in favor of the PROVIDER, provided 30 days notice is given to the CHP EMT-P Program Director.
11. The CHP may, upon notice, discontinue the assignment of any trainee at any time during the period of this Agreement. PROVIDER may at any time recommend the discontinuance of the assignment of a trainee.
