Mr. Phillip A. Lock
Airport Manager
Redlands Municipal Airport
1745 Sessums Drive
Redlands, CA 92374

Dear Mr. Lock:

We are pleased to inform you that the California Transportation Commission on June 28, 1989, acting on the Department's recommendation, allocated \$29,000 of California Aid to Airports Program (CAAP) funds for Project #SBd-32-88-1 at the Redlands Municipal Airport.

Safety Hazard Removal

Conditions: Construction plans and specifications must be in accordance with both the current Caltrans standard specifications and Federal Aviation Administration dimensional criteria (Advisory Circular 150/5300-4B).

Before the Department can enter into a grant agreement for these funds, the following must be completed:

1. Authorized official shall sign where indicated accepting the allocation of funds and return within 30 days from date of this letter a signed copy to the Department.
2. Construction Projects
 - a. Forward a copy of the plans and specifications, including State fair employment practices and labor code compliance provisions, to the Department for review and approval before advertising for bids.
 - b. After opening of bids, submit an abstract of all bids to the Department with the designated choice of contractor for Departmental approval.
3. Complete and sign the grant agreement (initiated by the Department) and return it, with a resolution or minute order of acceptance, authorizing the signature on the grant agreement.

Mr. Phillip A. Lock

4. The Department will return the fully executed grant agreement with authorization to award the contract.

Sincerely,

JACK D. KEMMERLY, Chief
Division of Aeronautics
