A non-State public Entity (herein "Non-State Entity") shall also be required to complete and submit this Authorization to Order (ATO) Under State Contract prior to ordering Services. A description of the Service(s), applicable rates and charges and the specific terms and conditions under which the Service(s) will be provided to a Non-State Entity are fully set forth in the Contract. Access to the Contract is available at <http://marketing.dts.ca.gov/calnet3/>.

E-Rate Customers

Only complete if applying for E-Rate funding:

Insert Non-State Entity Name here intends to seek Universal Service Funding (E-Rate) for eligible services provided under this ATO.

The Service(s) ordered under this ATO shall commence on **Insert month, day, year** ("Service Date"). Upon the Service Date, this ATO supersedes and replaces any applicable serving arrangements between Contractor and Non-State Agency for the Service(s) being ordered under this ATO.

This ATO shall become effective upon execution by Non-State Entity, Contractor, and the Office of Technology Services, Statewide Telecommunications and Network Division (OTech/STND). No Service(s) shall be ordered by Non-State Entity or provided by Contractor until this ATO has been executed by both parties and approved by OTech/STND.

By executing this ATO, Non-State Entity agrees to subscribe to the selected services, and Contractor agrees to provide selected services, in accordance with the terms and conditions of this ATO and the Contract. Upon execution of this ATO by Non-State Entity and Contractor, Contractor shall deliver this ATO to OTech/STND for review and approval. The State may, at its sole discretion, revoke any applicable previously approved ATO.

The OTech/STND will provide Contract management and oversight, and upon request by the Non-State Entity or Contractor, will advocate resolving any Contract service issues. The ATO, and any resulting Form 20, is a Contract between the Non-State Entity and the Contractor. The State will not represent the Non-State Entity in resolution of litigated disputes between the parties.

Non-State Entity may terminate this ATO, for specific Service(s) or in total, prior to termination of the Contract, by providing the Contractor with thirty (30) calendar days' of written notice of cancellation. This ATO shall not exceed the term of the CALNET 3 Contract.

Non-State Entity, upon execution of this ATO, certifies that Non-State Entity understands that Contractor and the State may, from time to time and without Non-State Entity's consent, amend the terms and conditions of the Contract thereby affecting the terms of service Non-State Entity receives from Contractor.

Non-State Entity, upon execution of this ATO, certifies that it has reviewed the terms and conditions, including the rates and charges, of the Contract.

Non-State Entity, upon execution of this ATO, certifies the Non-State Entity understands that billing invoices for Service(s) subscribed to under the Contract are subject to review and/or audit by the State, pursuant to provisions of the Contract.

All Service(s) ordered under this ATO will be submitted using the Form 20, signed by the Non-State Entity's authorized signatory. Any additions or deletions to Service(s) shall likewise be accomplished by submission of a Form 20, noting changes. The Non-State Entity understands that Form 20s are subject to review by the CALNET 3 CMO to ensure contract compliance.

Non-State Entity, upon execution of this ATO, certifies the Non-State Entity understands that the Contractor shall provide CALNET 3 CMO all data, reports, and access to trouble tickets for Service(s) subscribed to under the Contract, pursuant to provisions of the Contract.

Non-State Entity may, by placing Service orders issued by its duly authorized representative with Contractor, order any of the Service(s) listed in the Contract and selected below. Contractor shall bill Non-State Entity, and Non-State Entity shall pay Contractor according to the terms and conditions and rates set forth in the Contract for such Service(s).
