SPECIAL CONDITIONS

13. The subgrantee agrees to assist BJA in complying with the National Environmental Policy Act (NEPA), the National Historic Preservation Act, and other related federal environmental impact analyses requirements in the use of these grant funds, either directly by the grantee or by a subgrantee. Accordingly, the subgrantee agrees to first determine if any of the following activities will be funded by the grant, prior to obligating funds for any of these purposes. If it is determined that any of the following activities will be funded by the grant, the subgrantees agrees to contact BJA.

The subgrantee understands that this special condition applies to its following new activities whether or not they are being specifically funded with these grant funds. That is, as long as the activity is being conducted by the subgrantee, a subgrantee, or any third party, and the activity needs to be undertaken in order to use these grant funds, this special condition must first be met. The activities covered by this special condition are:

- a. New construction;
- b. Minor renovation or remodeling of a property located in an environmentally or historically sensitive area, including properties located within a 100-year flood plain, a wetland, or habitat for endangered species, or a property listed on or eligible for listing on the National Register of Historic Places;
- c. A renovation, lease, or any proposed use of a building or facility that will either (a) result in a change in its basic prior use or (b) significantly change its size;
- d. Implementation of a new program involving the use of chemicals other than chemicals that are (a) purchased as an incidental component of a funded activity and (b) traditionally used, for example, in office, household, recreational, or education environments; and
- e. Implementation of a program relating to clandestine methamphetamine laboratory operations, including the identification, seizure, or closure of clandestine methamphetamine laboratories.

The subgrantee understands and agrees that complying with NEPA may require the preparing of an Environmental Assessment and/or an Environmental Impact Statement, as directed by BJA. The subgrantee further understands and agrees to the requirements for implementation of a Mitigation Plan, as detailed at <http://www.ojp.usdoj.gov/BJA/resource/nepa.html>, for programs relating to methamphetamine laboratory operations.

14. To avoid duplicating existing networks or IT systems in any initiatives funded by BJA for law enforcement information sharing systems which involve interstate connectivity between jurisdictions, such systems shall employ, to the extent possible, existing networks as the communication backbone to achieve interstate connectivity, unless the subgrantee can demonstrate to the satisfaction of BJA that this requirement would not be cost effective or would impair the functionality of an existing or proposed IT system.
15. In order to promote information sharing and enable interoperability among disparate systems across the justice and public safety community, OJP requires the grantee to comply with DOJ's Global Justice Information Sharing Initiative (DOJ's Global) guidelines and recommendations for this particular grant. Grantee shall conform to the Global Standards Package (GSP) and all constituent elements, where applicable, as described at: http://www.it.ojp.gov/gsp_grantcondition. Subgrantee shall document planned approaches to information sharing and describe compliance to the GSP and appropriate privacy policy that protects shared information, or provide detailed justification for why an alternative approach is recommended.

SPECIAL CONDITIONS

16. The subrecipient is required to establish a trust fund account. (The trust fund may or may not be an interest-bearing account.) The fund, including any interest, may not be used to pay debts or expenses incurred by other activities beyond the scope of the Edward Byrne Memorial Justice Assistance Grant Program (JAG). The subrecipient also agrees to obligate and expend the grant funds in the trust fund (including any interest earned) during the period of the grant. Grant funds (including any interest earned) not expended by the end of the grant period must be returned to the Bureau of Justice Assistance no later than 90 days after the end of the grant period, along with the final submission of the Federal Financial Report (SF-425).
17. JAG funds may be used to purchase bulletproof vests for an agency, but may not be used as the 50% match for purposes of the Bulletproof Vest Partnership (BVP) program.
18. The subrecipient agrees to submit a signed certification that all law enforcement agencies receiving vests purchased with JAG funds have a written "mandatory wear" policy in effect. Fiscal agents and state agencies must keep signed certifications on file for any subrecipients planning to utilize JAG funds for bulletproof vest purchases. This policy must be in place for at least all uniformed officers before any FY2012 JAG funding can be used by the agency for bulletproof vests. There are no requirements regarding the nature of the policy other than it being a mandatory wear policy for all uniformed officers while on duty.
19. Bulletproof vests purchased with JAG funds may be purchased at any threat level, make or model, from any distributor or manufacturer, as long as the vests have been tested and found to comply with applicable National Institute of Justice ballistic or stab standards. In addition, bulletproof vests purchased with JAG funds must be American-made. The latest NIJ standard information can be found here: <http://www.nij.gov/topics/technology/body-armor/safety-initiative.htm>.
20. The subrecipient agrees that any information technology system funded or supported by OJP funds will comply with 28 C.F.R. Part 23, Criminal Intelligence Systems Operating Policies, if OJP determines this regulation to be applicable. Should OJP determine 28 C.F.R. Part 23 to be applicable, OJP may, at its discretion, perform audits of the system, as per the regulation. Should any violation of 28 C.F.R. Part 23 occur, the recipient may be fined as per 42 U.S.C. 3789g(c)-(d). Recipient may not satisfy such a fine with federal funds.
21. The subrecipient agrees to ensure that the State Information Technology Point of Contact receives written notification regarding any information technology project funded by this grant during the obligation and expenditure period. This is to facilitate communication among local and state governmental entities regarding various information technology projects being conducted with these grant funds. In addition, the subrecipient agrees to maintain an administrative file documenting the meeting of this requirement. For a list of State Information Technology Points of Contact, go to <http://www.it.ojp.gov/default.aspx?area=policyAndPractice&page=1046>.
22. The subgrantee agrees to comply with the applicable requirements of 28 C.F.R. Part 38, the Department of Justice regulation governing "Equal Treatment for Faith Based Organizations" (the "Equal Treatment Regulation"). The Equal Treatment Regulation provides in part that Department of Justice Grant awards of direct funding may not be used to fund any inherently religious activities, such as worship, religious instruction, or proselytization. Recipients of direct grants may still engage in inherently religious activities, but such activities must be separate in time or place from the Department of Justice funded program, and participation in such activities by individuals receiving services from the sub-grantee must be voluntary. The Equal Treatment Regulation also makes clear that organizations participating in programs directly funded by the Department of Justice are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion. Notwithstanding any other special condition of this award, faith-based organizations may, in some circumstances, consider religion as a basis for employment. See http://www.ojp.gov/about/ocr/equal_fbo.htm.
23. The subrecipient acknowledges that all programs funded through subawards, whether at the state or local levels, must conform to the grant program requirements as stated in BJA program guidance.

County of San Bernardino

Grant Award/Sub-Award Process: When the Law and Justice Group (Recipient) has been notified that it has been awarded a grant, a Board Agenda Item to accept the grant will be prepared and submitted to the Board of Supervisors (BOS) for approval. Where there is a sub-award to be granted, a Sub-Award Agreement will be approved by the BOS and the Sub-Recipient. The appropriate officials will sign the Sub-Award documents. The Sub-Award Agreement will identify the Federal award information and applicable compliance requirements, including applicable special conditions for each Federal sub-award. The Sub-Award Agreement will include the Grant Award Number, Award Date, Catalog of Federal Domestic Assistance (CFDA) number, Project Title, Project Period, Award Amount, and all applicable Special Conditions for the Sub-Award. The Law and Justice Group's Sub-Recipient Monitoring Procedures will be included in the Sub-Award Agreement.

Grant Revenue: When notified that a grant award has been made, the Grant Coordinator requests a budget code for the grant award from the Auditor-Controller/Treasurer/Tax Collector (ATC), and submits appropriate budget documents for the Board of Supervisors approval. Once the budget is established, the Grant Coordinator requests a drawdown of grant funds and deposits the funds into the applicable special revenue fund. Time frames for the drawdown requests will be accomplished in accordance with award requirements specified by the awarding agency. The Grant Coordinator maintains a record of revenues requested and received and reconciles the account.

Disbursement of Funds to Sub-Recipients: When disbursing Sub-Award funds to Sub-Recipients, the Grant Coordinator will prepare the appropriate FAS payment document. The Payment Document is given to the Chair of the Law and Justice Group for review and approval. The ATC processes payments and disbursement of funds.

To notify subrecipients of the Federal award number, CFDA (Catalog of Federal Domestic Assistance) number, and the amount of Federal funds at the time of the disbursement of funds, the following steps will be followed:

- 1) The "Comments" 96-character field in FAS payment documents will be used to list the Federal award number, CDFA number, and the amount of Federal funds. The Basic FAS 2004 manual (2/19/04), page 69, states "Comments (optional-this info appears on the remittance advice)." Information entered into this field will appear on the remittance advice of manual warrants and in the notification email of EFT payments, satisfying the requirement for notifying recipients at time of disbursement.
- 2) A memo detailing the required Federal information will be included when mailing out the warrant if departments need to pick up the warrants from ATC-Accounts Payable using Will Call.
- 3) An email will be sent to subrecipients at the time of disbursement identifying the payment and detailing the required Federal information.

Sub-Recipient Monitoring Requirement

Sub-Awards will be monitored in accordance with all applicable statutes, regulations, OMB circulars, and guidelines, including the OJP Financial Guide, and to include the applicable conditions of this award in any sub-award. The recipient is responsible for oversight of sub-recipient spending and monitoring of specific outcomes and benefits attributable to use of funds by sub-recipients. The recipient agrees to submit, upon request, documentation of its policies and procedures for monitoring of sub-awards.

County of San Bernardino

Sub-Recipient Monitoring Process

On-site monitoring of grant funded projects may be conducted by the U.S. Department of Justice or County of San Bernardino. At that time, the identified sub-recipient agency will be required to provide documentation supporting expenditures, and/or a physical review of items funded through the grant may be requested.

To ensure full compliance with this legislative mandate, all grant related documentation to include timesheets, invoices, purchase orders, canceled checks, and contracts must be maintained in a location accessible to the person responsible for managing the sub-award, and the agency's chief executive.

If it is determined funds are not being used for approved purposes, or if proper documentation is not maintained, the amount in question must be returned to the U.S. Department of Justice. The sub-recipient agency may also be deemed ineligible for future federal funding.

On-Site Monitoring

The County of San Bernardino Law and Justice Group may conduct on-site monitoring. The monitoring will be based upon performance and reported expenditure of funds. The monitoring will be based upon performance, tracked through reports and regular correspondence. This method will ensure the sub-recipient in greatest need for assistance in managing their award is provided the necessary tools to be in full compliance with U.S. Department of Justice requirements.

If selected for monitoring, the sub-recipient will be notified at least 20 days prior to the monitoring. The staff person responsible for managing the sub-award, the staff person assigned to managing fiscal operations, the chief executive of the sub-recipient organization, and any other applicable persons directly involved in the oversight of grant funds will be asked to attend. Appropriate documentation will also be requested for review. During the monitoring, the following items will be reviewed and/or discussed: invoices, timesheets, canceled checks, equipment purchased, policies and procedures, financial status reports, performance reports and grant files.

If the sub-recipient is non-compliant with award requirements, the following actions will be taken: The County of San Bernardino will assist the sub-recipient with the resolution of identified issues, a recommendation to the U.S. Department of Justice for a federal monitoring of the sub-award will be made, future payments will be withheld until all issues are resolved, and closer oversight of the sub-recipient by San Bernardino County will be implemented."

Project Accounting and Record Keeping: Adequate control of funds received to ensure compliance with Federal and State regulations and sub grant conditions will be accomplished. Separate records are maintained for each project to avoid commingling of project funds with other funds.

Obligation and Expenditure of Funds: All Grant funds must be obligated by the termination date of the project. Grant funds legally obligated by the termination date must be expended within the time frame specified within the Grant Contract, Agreement or Sub-Award Agreement. Justice Assistance Grant (JAG) funds must be expended by the end of the project period.

Reporting Requirements: Submission of financial reports will be accomplished in accordance with the guidelines specified in the Grant Contract, Agreement or Sub-Award Agreement.

Sub-Recipient Audits - OMB Circular A-133 Compliance

Sub-Recipients are required to meet the audit requirements as provided in OMB Circular A-133. A single or program specific audit is required in any year that a government expends \$500,000 or more a year in federal awards. OMB A-133 requires audits to be completed and submitted to the clearinghouse no later than nine (9) months after the close of each fiscal year during the term of each grant award. As a condition of the sub-award agreement, the LNJ will require the sub-recipient submit a copy of the audit, including any corrective action plan within 30 days from the date submitted to the Federal Clearinghouse. The Grant Coordinator will review and ensure that the subrecipient audit reports are received and that all audit findings have been resolved. Failure of the subrecipient to have audits performed as required may result in the withholding of new discretionary awards and/or withholding of funds.

Project Closeout: The Grant Coordinator will schedule, monitor and ensure timely completion of all required closeout activities and final financial reports in conformance with the guidelines required by the awarding agency.

Inventory Control: Sub-Recipients will maintain an inventory of equipment purchased with grant funds and submit inventory records to the Grants Coordinator if requested. Records shall be retained for a period of three years from the date of the disposition or replacement or transfer at the discretion of the awarding agency. As equipment or other non-expendable property is purchased and received, it will be permanently marked, a property inventory record completed, and the property inventory record will be made part of the permanent sub-grant file. Disposition of equipment will be done in accordance with the awarding agency's guidelines.

Retention Period: Project records must be maintained for the required period after the awarding agency determines that the grantee has met all the project requirements and the project has been accepted for closeout. Records will be maintained for a minimum of three years. The three-year retention period starts from the date of the submission of the closure of the single audit report which covers the grant period and lasts until completion of any disputes arising prior to the expiration of the three year period, whichever is later.
