

To the Board of Trustees,
Redlands, Calif.

We, the undersigned owners of Tract No. 1882, being the Carter Tract Terrace, hereby agree to put in curbs and gutters on all streets dedicated to public use in this subdivision and to have the surface of said streets graded and oiled as required by specifications therefor on file in the office of the City Engineer of the City of Redlands. This work to be done as soon as the ground of the roadway has become sufficiently settled and compacted in order that curb and gutters can be satisfactorily constructed thereon. If said streets are not so improved we hereby petition the Board of Trustees to order said work done under the 1911 Street Act.

Witness our hands this 2nd day of July 1924.
