The minutes of the regular meeting of the Redevelopment Agency of August 16, 1977, were approved as submitted.

Business  
Properties  
Time  
Extension

Mr. Mitchell stated that there were no other inquiries concerning this property, and Business Properties had invested funds in title search, mapping, and surveying which indicates the intention to develop. He added that Business Properties' representative L. C. Smull stated that should his firm not develop the property, the title work and survey material would be available to the Redevelopment Agency for future use. Following brief discussion, on motion of Member Grace, seconded by Member Elliott, an extension for sixty days was granted to Business Properties for development as originally designated. Motion was approved by AYE votes of all present.

There being no further business, the Redevelopment Agency adjourned.

Next regular meeting, September 20, 1977.
