The minutes of the regular meeting of the Redevelopment Agency of the City of Redlands of January 18, 1983, were approved as submitted.

Mr. Bob Mitchell, liaison coordinator to the Agency, made a report of what is being done in the core revitalization area and requested guidelines from the Redevelopment Agency.

Zanja
Flood
Project

Following discussion, Member Johnson moved to request by letter that the Army Corps of Engineers proceed with the Zanja Flood project in obtaining its approval, and to notify them that the Redlands Redevelopment Agency supports the project and intends to participate in it. Motion seconded by Member Gorman and carried by AYE votes of all present.

Reservoir
Canyon
Project

Member Johnson moved to authorize staff to formalize with the County that the City of Redlands intends to proceed with the Reservoir Canyon project and direct staff to proceed with the review of the plans and identify the construction agency, prepare cost estimates, and return to the Agency for approval before executing with any contracts. Motion seconded by Member Gorman and carried by AYE votes of all present.

Bond Issue

Member Gorman moved to proceed with a bond issue to utilize the tax increments in connection with flood control and to authorize staff to proceed with review of proposals from municipal finance corporations and to return to the agency for approval if the hiring of one of those agencies is recommended. Motion seconded by Member Johnson and carried by AYE votes of all present.

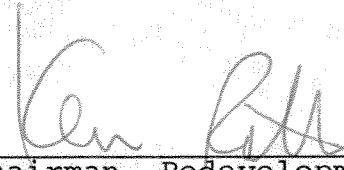

Member Roth entered the Chambers at 4:00 P.M.

Orange
Street
Traffic
Study

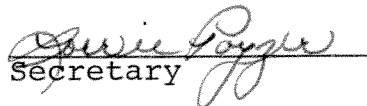

In other business, Member DeMirjyn moved to refer to the Traffic Commission a request to study the possibility of widening Orange Street between State Street and Citrus Avenue in order that parking could be allowed on the east side of Orange Street. Motion seconded by Member Johnson and carried by AYE votes of all present.

There being no further business, the Redevelopment Agency adjourned, on motion, at 4:05 P.M.

Next regular meeting, May 3, 1983.
