ORAL PETITIONS

Reverend William Bell, on behalf of the Temple Baptist Church, addressed the Council at this time petitioning waiver of certain plan checking fees in connection with building plans for their proposed sanctuary on East Redlands Boulevard and East Cypress Avenue. These plans were first submitted for checking in October, 1963, at which time the applicant paid the required fee of \$157.25, but did not take out a building permit. At this time, the church plans to proceed with their development. However, because the interval of time has been long since the original plan check (more than the sixty days permitted by the Building Code), the cost of a re-check of plans is

normally one-half the first cost. Mr. Bell assured the Council that there had been no change in the plans as originally checked and approved in 1963 by the International Conference of Building Officials. After considerable discussion, Councilman Wagner moved that, as this is a non-profit organization, the request for waiver of this second plan-checking fee be approved, providing there are no changes in the plans, and no out-of-pocket expense to the City, also provided the building permit be issued within sixty days. Motion seconded by Councilman Cummings and carried unanimously.

PLANNING COMMISSION RECOMMENDATIONS

As considered by the City Council at a regular meeting thereof held February 16, 1965 at 3:00 P.M.

1. Conditional Use Permit No. 107 - Seventh-Day Adventist Church

That the request of the Seventh-Day Adventist Church for a Conditional Use Permit in an R-2 Zone to locate a welfare center in an existing church building located at 831 Clay Street, be approved subject to the recommendations of all departments, adding Planning Department No. 7: A time limit of one year to determine the waiver of parking requirements. At the request of Reverend Hassenpflug, this application for Conditional Use Permit No. 107 and the request for consideration by the Advisory Committee were withdrawn. No Council action.

2. Conditional Use Permit No. 108 - Paul Gerrard

That the request of Paul H. Gerrard for a Conditional Use Permit in an R-S Zone to construct a neighborhood store on 1.85 acres of property located at the southwest corner of Cypress Avenue and Center Street be approved subject to the recommendations of the various departments as contained in Planning Commission minutes dated February 9, 1965.

At this time Manager Merritt read a letter from Attorney James R. Dunn requesting a two-week continuance of this item. On motion of Councilman Hartzell, seconded by Councilman Wagner, action on this request was tabled to March 2, 1965.

3. Conditional Use Permit No. 110 - Redlands Day Nursery

That the request of the Redlands Day Nursery for a Conditional Use Permit in an R-2 Zone to convert an existing church located at the southwest corner of Brockton Avenue and Ohio Street into a nursery school for 50 children be approved subject to the recommendations of all departments as contained in Planning Commission minutes dated February 9, 1965, and that the parking regulations be worked out with the applicant to the satisfaction of the department. At this time Mr. Sam Sewall, president of the Redlands Day Nursery, requested a two-week extension of this matter. Request granted. No Council action.

4. Home Occupation Permit No. 86 - Jayne S. Turner

That the request of Jayne S. Turner for a Home Occupation Permit to conduct a speech tutoring service in her residence at 648 Palo Alto Drive be approved subject to the recommendations of the Planning Department. On motion of Councilman Cummings seconded by Councilman Martinez, this recommendation was adopted by the City Council.

5. Home Occupation Permit No. 79 - Jackie Anglin - Time Extension

That the request of Jackie Anglin for extension of home occupation permit to do sewing in her home at 1079 Kevin Avenue be approved subject to the recommendations of the Planning Department. On motion of Councilman Cummings, seconded by Councilman Wagner, this recommendation was adopted by the City Council. (Expire: 12/31/66)

PLANNING COMMISSION RECOMMENDATIONS (Continued)7. Lot Split No. 355 - Mrs. H. S. Horton

The request for Lot Split No. 355 was tabled from Council meeting of January 19, 1965 to this meeting. At this time the attorney for Mrs. Horton requests that this matter again be tabled to March 16, 1965. Request granted.

8. Mobile Home Parks - Economic Survey

At this time Council considered a study by Administrative Assistant William Karus concerning the economic status of Mobile Home Parks. Mr. E. J. Zeiner spoke to the Council relative to the Parks and the caliber of the people who occupy them. Former Mayor Charles Parker addressed the Council bringing information about the numerous parks in Hemet, California. Following lengthy discussion concerning need; desirability; possible lowering of adjacent land values; effect on community as a whole; various methods of control of number, location and quality; possible limitation to "Problem Parcel"; it was decided to return the matter to the Planning Department for further study and recommendation.

9. Tract 5613 - Frank Babcock

Mr. Frank Babcock requested waiver of frontage charges (267 feet) for a sewer connection to Lots 10, 11, Tract 5613, on East Cypress Avenue. Mr. Babcock states that it is not feasible to connect these lots into Cypress Avenue because of grade levels, and that he would be paying for something he could not use. After long discussion, Councilman Hartzell moved that the request for a waiver in accordance with the Redlands Ordinance Code be approved based on the following findings:

1. It is not feasible to connect into the Cypress Avenue sewer but is practical to connect to the Carrie Lane line.
2. It would create a financial hardship on applicant.
3. Lots 8, 9, 10, 11 are being developed as one unit; and their connection as such may be made to Carrie Lane line which is the only existing facility available to provide adequate sewer service to the entire unit.

Motion seconded by Councilman Wagner and carried unanimously.
