PLANNING COMMISSION RECOMMENDATIONS

as considered by the City Council at a regular meeting thereof held July 6, 1965 at 3:00 P.M.

1. Conditional Use Permit No. 106 - Buin Corporation

That the application of the Buin Corporation for a Conditional Use Permit in an R-E Zone to construct a Neighborhood shopping center on approximately eight acres of property located south of Redlands Boulevard, east of the proposed alignment of Ford Street between Oak Street and Sunset Drive North, be approved for the reasons that it is timely, meets the expanding needs of the community, satisfies the technical requirements for such a development, and the location is well placed with reference to the map and the law.

Mayor Burroughs addressed the large audience present, stating that each person wishing to speak would come forward and give name and address as in a public hearing.

Mr. Rex Cranmer, attorney for the Buin Corporation, summarized the reasons ~~his client desired to build this neighborhood shopping center.~~

Mr. Max Creston introduced Attorney James Dunn who gave a summary of the reasons the South East Redlands Association opposes this center.

Mr. Edward P. Foley, attorney for the Marysville Development Corporation, addressed the Council concerning the four and one-half acres owned by Marysville in the area being discussed.

Also addressing the Council were the following: Ernest Kassner, 1367 Oak Street; Laurence Wormser, 217 Orange Street, Bill Reynolds, 1125 West Crescent Avenue; Dorothy Bishop, 210 East Sunset Drive, North; Marilyn Masters, 361 Franklin; Walter Baumgartner, 302 East Sunset Drive, North; Robert Frost, 464 Summit; and Mrs. Walter Mook, 114 Anita Court.

Mayor Burroughs then closed the meeting to discussion from the floor. Following lengthy Council discussion relating to the desirable aspects of the development, and agreement on the undesirability of permitting a somewhat isolated parcel of R-E zoned property to remain between a freeway and a shopping center, Councilman Cummings moved approval of C.U.P. No. 106 subject to the requirements of all departments as contained in Planning Commission minutes dated June 22, 1965, with the added requirement that the center be relocated on the property adjacent to the freeway; and that the development be returned to Planning Commission for approval of the site plan. Motion seconded by Councilman Martinez and carried with the following vote:

AYES: Councilmen Cummings, Martinez, Mayor Burroughs

NOES: None

ABSENT: Councilmen Wagner, Hartzell

Mr. Cummings recommended that Planning Commission remove all shopping center symbols from the General Plan.
