Recommendation

During the meeting of December 19, 1967, the City Council referred to the Airport Advisory Board the question of Valley Airways continuing to use counter space to sell flying lessons. Manager Merritt reported that during the Board meeting on December 27 this matter was discussed. On motion of Councilman Hartzell, seconded by Councilman Martinez, the report of the Airport Advisory Board was accepted by the Council.

There being no further business, on motion, the Council adjourned at 3:00 P.M.
