time factor as being of the essence and strongly urged approval. Also speaking in favor were Mr. Raymond A. Beeler, who presented a petition with 146 signatures requesting approval of the freeway at this time, Mr. Louis Fletcher and Mr. Hal Hagen, president of the Foothill Freeway Association. Speaking against the proposal in its present form was Mr. John Runkel, who requested better access for the properties on Alabama Street. Mr. R. E. Deffebach gave cost estimates, time projections, and answered questions presented by Mr. Knudsen and Mr. Sewall. He urged acceptance of the plan as here presented and recommended that negotiations for changes in offramps be included in the cover letter. Mr. Deffebach gave the opinion that the State would provide right-of-way for frontage roads both east and west. Councilman Sewall expressed concern for the impact on the ecology of the area by so large an interchange. Following further discussion, on motion of Councilman DeMirjyn, seconded by Councilman Miller, the City Council accepted the agreement and authorized the signing of the Freeway Agreement by the Mayor, with the following roll call vote:

AYES: Councilmen DeMirjyn, Knudsen, Miller, Mayor Cummings
 NOES: Councilman Sewall
 ABSENT: None

Council recessed for five minutes. At 3:30 P.M. the Council reconvened to consider the remaining matters referred to them by the Planning Commission.

2. Street Vacation No. 58 - Mobil Oil Corporation

Application for vacation of the westerly half of a 15-foot alley located 110 feet east of Orange Street between High Avenue and Interstate 10 Freeway as requested by the Mobil Oil Corporation was recommended for denial by the City Council. Mr. Bob Wagner addressed Council with the request that as his client has met with the Dill family, who originated the objection to the street closure, and had come to an agreement, the matter be returned to the Planning Commission. On motion of Councilman DeMirjyn, seconded by Councilman Knudsen, the matter was referred back to the Planning Commission for hearing on the second Tuesday in May.

3. Lot Split No. 419 - Curbing and Sidewalk Installation - Halsey Street

A request by property owners that they be permitted to sign the improvement agreement for curbs and sidewalks on the property located on Halsey Street - Lot Split No. 419 - was again brought to Council. Mrs. J. W. Simonds, Mr. George Fikrle, Dr. Gilbert Becker and Mrs. R. C. Oliver addressed Council. They spoke of the beauty of the street and requested that it be left as it is, for it presently discourages traffic, is used a great deal by neighborhood children, and is not used in any way for through traffic. Following very lengthy discussion, Council approval was given for the signing of the agreement by the three property owners involved in the present lot split, Caruthers, Fikrle, and Simonds.

Following this matter, Council briefly discussed the practicality of amending the ordinance to outline specifications for substandard streets in areas in which standard streets are impractical.
