Redlands 2000

Redlands 2000 steering committee members and Councilmembers discussed implementation of their recommendations contained in their report. It was recommended that members of the steering committee meet with each commission involved to review the report and focus on their areas of concern. It was also suggested that a newsletter be prepared periodically for the members of the Redlands 2000 Committee to keep them apprised of our progress. Councilmember Wormser moved to authorize the Redlands 2000 steering committee to continue as a recognized committee for 1989-90. Motion seconded by Councilmember Johnson and carried unanimously.

The meeting adjourned at 2:55 P.M.
