Members of the City Council and the Board of Education met at this time to further discuss the location of a new high school. President of the School Board Don Poe called the meeting to order and asked their Superintendent, Ron Franklin, to present the School Site Committee's report. He reported that they have focused their attention on an 80-acre parcel bounded by Palmetto Avenue, Nevada Street, Olive Avenue, and California Street. Councilmembers again requested the District further study a site in the area of Pioneer Avenue and Texas Street. It was agreed that school officials would meet with the State Department of Education to review these two sites and that a cost analysis will be prepared for each site.

Councilmember Cunningham requested that at the next joint meeting a discussion of developer fees be scheduled.

There being no further business on this agenda, the meeting adjourned at 8:55 A.M. to an adjourned regular meeting to be held on January 17, 1989, at 2:30 P.M. in the Council Chambers, 212 Brookside Avenue, Redlands.
