CDBG Funds

Community Development Director Shaw informed Councilmembers that the United States Congress has increased the Federal funding level of the 1991-92 Community Development Block Grant (CDBG) program. As a result, the City of Redlands, participating in the County of San Bernardino's CDBG program, will enjoy an increase in its CDBG allocation of approximately \$40,000.00 for 1991-92. Twenty-three project proposals have been received for a total of \$903,903.00; our total allocation will be \$272,400.00. The twenty-three eligible project proposals were described within a memorandum dated March 13, 1991. Brief presentations were made on behalf of R/SB Harbinger Corporation, Frazee Community Center, Inc., YMCA, Redlands Day Nursery, Inc., Family Service Association of Redlands, Inc., United Way, and Bethlehem House Project, Inc. A public hearing will be held on April 2, 1991, to prioritize these project proposals.

Council briefly recessed at 9:40 A.M. and reconvened at 9:50 A.M. at which time they completed the budget goals as presented in the Draft Business Plan for the Planning and Community Development Department. This was followed by presentations from the General Services Division and Risk Management.

The meeting adjourned at 11:50 A.M. The next regular meeting of the City Council will be held on March 19, 1991, at 3:00 P.M.
