Santa Ana
River Wash

Member of the City Council and staff from the City of Highland requested our City Council to consider pursuing the concept of a joint powers authority in which all aspects of mining in the Santa Ana River Wash may be uniformly addressed. Councilmembers concurred to reactivate the advisory committee and to include representation from the Water Conservation District at their recommendations. It was agreeable to both cities to meet again on Monday, April 6, 1992, at 8:00 A.M. in the City Hall Auditorium to continue discussion on this subject.

Councilmember Milson nominated Gertrude Hagum to replace Don Holtzhauser as one of the Redlands' citizens on the advisory committee. This was agreeable to Councilmembers Larson and Foster.

There being no further business, the meeting adjourned at 9:08 A.M. to Tuesday, March 10, 1992, at 9:00 A.M. in the City Hall Auditorium, 30 Cajon Street, Redlands, California.
