Wastewater/Sewer Rates - Gary Phelps, Deputy Public Works Director - Utilities, presented information regarding wastewater/sewer rates: how the rates are determined, where the money goes, a rate survey, debt service coverage, and debt service requirements. Councilmember Foster raised several questions regarding the 1962 bond issue, the \$9 million denitrification process, installment payments and annual averaging of municipal utility bills, and incentives for outside the City sewer hookups. Representatives from Carollo Engineers and the Regional Water Quality Board will be invited to attend the next study session scheduled for the morning of November 10, 1992.

The meeting adjourned at 10:00 A.M. to a closed session for the purpose of discussing personnel and property acquisition. No report was expected following the closed session.

Next regular meeting, November 3, 1992.
