Parks
Commission
Liaison

Parks Members of the City Council and the Board of Education discussed the appropriateness of having a representative from the Board of Education serve as a liaison to the Parks Commission. Councilmembers were agreeable to this suggestion and asked staff to be notified who that person would be so that notices could be mailed to the designated liaison from the Board of Education.

High School
Sites

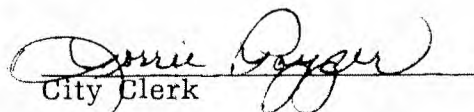

Staff members from the School District presented the recommendations of the District Site Selection Committee for the proposed high school. Councilmembers focused on Site 1 (bounded by Lugonia Avenue, Nevada Street, Almond Avenue, and California Street) and Site 3 (bounded by Lugonia Avenue, Texas Street, San Bernardino Avenue, and State Route 30). Councilmembers also suggested three other possible sites; namely an area bounded by San Bernardino Avenue, Nevada Street, Palmetto Avenue, and California Street; an area bounded by Pioneer Avenue, Texas Street, Redlands' city limits, and State Route 30; and an area bounded by Tennessee Street, Pine Avenue, and Citrus Avenue near the Seventh Day Adventist Academy.

There being no further business, the meeting adjourned at 8:50 P.M.

An adjourned regular meeting of the City Council is scheduled to be held on December 13, 1988, at 7:00 P.M. in the City Hall Conference Room. Next regular meeting, December 20, 1988.
