Senior Center	Russ Rothsberger presented a map with pins indicating where the people involved with the Senior Nutrition Program live and flags indicating those on the Meals on Wheels service. He conducted a survey last week with approximately 198 responses which were designated on the map. He also polled people for their preference regarding the proposed sites: 8 opted for the American Legion, 15 for the YMCA, 13 for the Brookside Avenue site, and 95 for the Church and Lugonia Avenue site. Council reviewed the latest information available regarding the four sites; A: the southwest corner of Lugonia and Church; B: the American Legion property located at 1532 North Church Street; C: the YMCA located at 500 East Citrus Avenue; and D: 1.5 acre parcel located on Brookside Avenue, west of Lakeside Avenue. Information was also received from Leon Armantrout regarding the Floyd property located on Fourth Street, west of the Coast Plaza Project. Neighbors polled regarding the Brookside Avenue site were totally opposed to this proposal at this location. No action was taken at this time and this matter will again be discussed at this evening's meeting. Councilmember DeMirjyn left the meeting at 9:20 A.M. and returned at 10:20 A.M.
Growth Management	Community Development Director Shaw reviewed a summary of short term action items (policies and actions) proposed by the Growth Management Task Force which was established in April 1988 to review County policy and identify needed changes so that

growth will occur in a logical manner. Councilmembers asked for further information as to implementation of these actions and to request the Council to allow City participation whenever there is a proposed change in the level of service within our Sphere of Influence.
