High School Site

Members of the City Council and the Board of Education met at this time to further discuss the location of a new high school. The proposed site is 40 acres located on the west side of Alabama Street at Park Avenue. The estimated cost of the school will be \$30 million not including development of recreation facilities. The City Council expressed an interest in continuing to work with the School District to provide the recreation area.

There being no further business on this agenda, the meeting adjourned at 9:02 A.M. to an adjourned regular meeting to be held on May 23, 1989, in the City Hall Conference Room, 30 Cajon Street, Redlands, California.

Next regular meeting June 6, 1989.
