NAFB The purpose of this special meeting was to discuss the reuse of Norton Air Force
Reuse Base. Redevelopment Agency Director Norman McMenemy, Community Development Director Jeff Shaw, Finance Director George Kaenel, and City Engineer Ron Mutter expressed their concerns about the loss of the City's tax increment if the proposed joint powers agreement is implemented.

Councilmembers discussed at length their frustrations with the Norton Economic Expansion Committee's actions. By unanimous consensus, Council agreed they would not participate in the joint powers agreement as presently proposed and, for self-preservation, would continue to participate in the Executive Committee with Dee Ann Milson as the Mayor's delegate. The City Attorney was directed to see if the boundaries for the joint powers agreement could be changed or must we abide by the three-mile radius, and to find out how binding or secure is any use agreement. Council also directed that letters be sent to the Chairman of the Committee expressing our concerns with copies to our state legislators and the Mayors involved, and a separate letter be sent to our state legislators regarding our concerns about air space use.

The meeting adjourned at 10:22 A.M. The next regular meeting of the City Council will be held on this same date at 3:00 P.M.

ATTEST:

City Clerk

Mayor of the City of Redlands
