

ORDINANCE NO. 1526

AN ORDINANCE OF THE CITY OF REDLANDS AMENDING ORDINANCES NO. 1445 AND 1459, WHICH PROVIDE FOR THE GRANTING OF FRANCHISES FOR COMMUNITY ANTENNA TELEVISION SYSTEMS; PROVIDING TERMS AND CONDITIONS FOR THE OPERATION OF SUCH COMMUNITY ANTENNA TELEVISION SYSTEMS AND FEES THEREFOR

THE CITY COUNCIL OF THE CITY OF REDLANDS DOES ORDAIN AS FOLLOWS:

SECTION ONE: Sections 1, J; 6, B; 7, N; and 9, C of Ordinance No. 1445 are hereby amended to read as follows:

Section 1, J. "Gross Annual Receipts" shall mean all revenues received by the Grantee for regular subscriber services -- i.e., the carriage of broadcast signals and required non-broadcast services.

Section 6, B. ANNUAL FRANCHISE FEE. The grantee of any franchise shall pay annually to the City during the life of the franchise a sum equal to three percent (3%) of the gross annual receipts of the grantee derived from subscriptions and users within the City, and in addition thereto such other sums as may be provided for in grantee's franchise. Such payments will be made to the City Treasurer.

The balance of Section 6, paragraph B, remains unchanged.

Section 7, N. Consistent with the requirements of Rule 76.31 (a) (6) of the Federal Communications Commission, any modification of Rule 76.31 resulting from amendment thereto by the Federal Communications Commission shall, to the extent applicable, be considered to be part of any franchise awarded by the City, and such modification shall be incorporated into such franchise by specific amendments thereto within one year of the effective date of the Federal Communications Commission's amendment, or at the time of renewal of the franchise, whichever occurs first.

Section 9, C. Within ninety (90) days after the commencement of construction and installation of the system, grantee shall proceed to render service to subscribers, and the completion of the construction and installation shall be pursued with reasonable diligence thereafter, so that service to all areas designated on the map accompanying the application for franchise, as provided in Section 22 hereof, shall be provided within 18 months of the date service was first commenced.

SECTION TWO: Section 19, I of Ordinance No. 1459 is hereby amended to read as follows:

Section 19, I. Grantee shall without charge provide in the franchise area all subscriber services of its system to all public schools, to any institution of general education, attendance at which satisfies the State of California education code and General Laws of the State of California, City police and fire stations, City

recreation centers and other such buildings owned or controlled by the City as the City Manager shall designate. Such service shall consist of a connection to the exterior of the building or property involved and a connection to the interior of the building or property to a television set if desired. Grantee shall further make available at all times one channel for City use and one channel for public school use (including the University of Redlands). Grantee may further be required to make available additional channels, up to 20% of its channel capacity, for use by the City and/or public schools in the event such use is pursuant to an existing, viable plan and approved by the Federal Communications Commission. In the event any City and public school (including the University of Redlands) use channels are not in use for off-the-air transmission, local origination, or educational television, grantee may use such channels for additional programming, maintenance, or any other purpose consistent with the terms of the franchise and with the Rules and Regulations of the Federal Communications Commission.

SECTION THREE: This ordinance shall be in force and take effect as provided by law.

SECTION FOUR: The City Clerk shall certify to the adoption of this ordinance and cause the same to be published once in the Redlands Daily Facts, a newspaper of general circulation printed and published in this city.
