

The Board of Trustees of the
City of Honolulu do ordain

as follows:

Art. 7. That the

A. H. Disturbance
during the night

the and the same hereby are
established
1 ~~point~~ and bounded as fol-
lows, to wit: - Beginning at
the intersection of the center
lines of 7th Street and Carlton
Avenue in said city along the
center line of them to West ~~to~~ a point
one fourth of the center line
of 1st Street; thence north to
the center line of said 1st street to
a point one fourth of the

Average thickness ~~east~~
centre line of Dickinson the
west along the
centre line of section across to a point
about one month of the

Center
to and along the
New
beginning. ~~There is no building~~
~~in the way of~~ ~~the building~~
non-

or
1. ~~additions~~ to my buildings ~~by~~
the all heretofore be erected in
said line it without a reprint from the
President of the Board of Trustees, for
obtaining. Approved: 1840.

Let it be obtained, provided he see and know
no hindrance of any kind
and no waiting for any license or
or else complete, shall be best.
See within the price limits as
affirmed in the foregoing section

under the outside and party
walls thereof shall be com-
posed of brick, stone, iron or
other fire resistant material
of the following ^{or a} ~~the following~~
~~shall be~~ ^{and} ~~one foot in thick-~~

* now provided that any building
or any addition to a building,
or story in height may be
erected with walls not less
than 8 inches thick.

Art. 3 All party beams and timbers
in exterior party walls in
series from limits shall be
at least 8 inches apart and
separated by stone or brick

series in masonry or cement
knock-out with
Dec. 14, All chimneys in said fire
limits shall be covered at

least 3 feet above the roof
and no chimney shall be built
with less than four inches of
brick or stone at the base and
sides ^{completely} ~~completely~~ ^{completely} ~~completely~~
embraced in, and plastered
on the inside with lime mör-
tar. Holes for stove-pipe shall
have a thickness of ^{five} ~~one~~ ^{five} ~~one~~ ^{five} ~~one~~
material inserted ~~therein~~ in the
chimney imbedded in mortar

and a stopper of similar material with a flange at least one each side within the trip.

each side outside the track.
If we lay ~~on~~ down shall be
