

An Ordinance granting
 the right to distribute electric-
 ity in and through the streets, ave-
 nues and alleys of the City of Red-
 lands for the purposes of heat, light,
 and power, and to erect ^{expanses} poles, wires,
 and appliances therefor.

The Board of Trustees of
 the City of Redlands do ordain
 as follows:

Section 1. There is hereby granted
 to George H. Craft, Henry H.
 Lickelath, George B. Ellis, and
 their assigns, ^{and their assigns} a
 period of fifty years, a right
 to erect and maintain poles, and
 to string wires thereon, in, through,
 and over the streets, avenues,
 and alleys of the City of Red-
 lands, and to lay wires under-
 ground in such streets, avenues,
 and alleys, for the purpose of
 conducting and distributing el-
 ectricality in and through said
 city, and to construct and distri-
 ute electricity by means of such
 poles and wires, ^{and} ~~through~~ ^{and} ~~and~~
 along such wires, ^{through} ~~and~~ ^{and} ~~and~~
 said city, for the purpose of

terminating and supplying
such electricity for such other
light heat and power; and
also to construct and maintain
in connection with such fuel
and power, ~~the~~ such appurte-
nces as may be necessary to
the aforesaid purposes.

Section 2 The poles to be erected
as provided in the foregoing sec-
tion shall be ~~set by the city~~ ^{and shall be provided} and shall be secured and
~~themselves~~ ^{they} shall be secured and
firmly set in the sidewalk ~~that~~
~~the~~ the curb-line thereof when e-
rected in sheets and abutments, and
when erected in an alley they shall
be set at such points as shall
be designated by the Engineer-
tendant of sheets of said city; the
said poles shall be of such length
that when so set the tops thereof
shall be ~~about~~ ^{at least} four above the
surface of the ground. ~~Provided~~
~~that when any sheet poles shall~~
~~be erected for the purpose of fur-~~
~~nishing electricity for use in pro-~~
~~viding cars along any sheet~~
~~railway line, said poles may~~
~~be of the size, and kind, and as~~
~~bladed, as is shown in such sec-~~
~~tion. That all the poles and~~
~~substantially~~ ^{that} all of said
poles shall be so set as not to
impede the entrance to alleys or
private courtyards, or over the

1 ~~shall be painted.~~ surface of all
2 said poles shall be painted.

3 Section 3. The wires shall be so
4 strung on said poles that they
5 shall ~~hang~~ be suspended at a
6 distance of at least twenty feet
7 above the level of the ground.
8 And when any of ~~said~~ such
9 wires shall be laid under
10 ground in any street, ave-
11 nue or alley, they shall
12 be placed at least three feet
13 beneath the surface of the
14 ground, and at such points
15 as shall be designated by
16 the Superintendent of Streets
17 of said City, and shall be
18 safely and securely buried.
19 And whenever any public work
20 in or upon a street, avenue or al-
21 ley shall require any change
22 in the location of such under-
23 ground wires, such change
24 shall be made by the grantee
25 herein, or their assigns, at their
26 expense.

27 Section 4. The foregoing rights are granted
28 upon the foregoing terms, and
29 the further condition that
30 such rights shall be exercised
31
32

Subject to such regulations as
may be prescribed by any Ordina-
nance of said city, and that
the mode of erecting said poles
and stringing or laying said
wires shall conform within
6 months from the date of
the grant, with a failure to com-
ply with the above conditions
shall result a forfeiture of the
said right.

Section 10. This Ordinance shall take
effect from and after the
date of its passage.
