

Ordinance No 278.

An ordinance calling a special election to be held in the City of Redlands, on the 10th day of September, A.D. 1901, for the purpose of submitting to the qualified voters of said city certain propositions of incurring indebtedness by the issuance of the bonds of said city in the acquisition of certain municipal improvements, the amount involved in each of said propositions being too great to be paid out of the ordinary annual income and revenue of said city.

The Board of Trustees of the City of Redlands do ordain as follows:

Section 1. That it has been determined by the legislative branch of said city, viz: the Board of Trustees of the City of Redlands, County of San Bernardino, State of California, by a resolution duly passed by said Board of Trustees by a vote of more than two-thirds of all the members of said Board, to-wit: by a vote of all the members of said Board, at a regular meeting of said Board, duly held on the ^{13th}~~23rd~~ day of May, 1901, and which said resolution was duly approved by the Executive of said city, viz: the President of said Board of Trustees, on the 23rd of May, 1901, that the public necessity of said city, and of the inhabitants thereof, is such that it is necessary for said city to acquire the following municipal improvements, to-wit:

The acquisition by said city of a lot of land in said city for a site for a fire hall, and the acquisition by construction thereon, of a fire hall for said city. The acquisition by the construction thereof, of a new city jail upon the site of the present city jail. [The acquisition of the following described property, as and for water works for said city, and a source and supply of water for said city, and the inhabitants thereof, to-wit: All that real property located in said San Bernardino County, State of California, bounded and particularly described as follows, to-wit:

All of lots from one (1) to twenty-four (24) both inclusive, in and of block seventy-nine (79) of the San Bernardino Rancho, according to the map of the survey of said San Bernardino Rancho, of record in the office of the County Recorder of said San Bernardino County, State of California, together with all and singular all the tenements, hereditaments, and appurtenances thereunto belonging or in any wise appertaining, including

2

all waters, water rights, springs, streams, wells, and the pumping plant thereon, consisting, among other things, of the following:

One sixty horse-power steam boiler, one twenty-five horse-power steam engine, one centrifugal pump, and the air compressor. Also including all pipe lines or said block seventy-nine (79) of said rancho, or connected in any manner with said lands, or used in connection with said lands, or extending away from said lands to points outside of said lands, and all rights of way and all privileges of every kind or nature in any manner owned, or used, or exercised, or belonging to, or connected with, any or all said pipe lines, including the pipe line extending from said lands, northerly to the Crafton Distributing canal of the Crafton Water Company, at a point on said canal on lot three(3) of block twenty-eight (28) of the Crafton tract of land in said San Bernardino County, according to the map of said Crafton tract of record in the office of the County Recorder of said San Bernardino County, California, but excepting the pipe line of the Santa Fontaine Water Company extending across said lands through said lots of block (11), section (19), range (10), and township (1) of said said block seventy-nine (79) of said Rancho; at the cost and for the sum of two hundred and seventy-five thousand dollars, and the acquisition of said city in connection therewith of such additional works, wells, structures, pipe lines, hydrants, attachments and piping, flumes and appurtenances and equipment, for the conveyance of water distribution of all the water so acquired, at the cost and for the purchase price of a certain and twenty-five thousand dollars, and for a total of four hundred thousand dollars, which said sum of four hundred thousand dollars, will be the cost of such acquisition of all said waters, water works and property.

Section 9. It is hereby determined that the sum of said four hundred and twenty-five thousand dollars is necessary to carry out the objects, purposes and aims of said city, and that the estimated cost of such acquisition of said lot and five mill is five thousand five hundred dollars, which said sum shall be paid out of the ordinary annual income and revenue of said city. That the estimated cost of such acquisition of said new city jail is two thousand five hundred dollars, which sum is too great to

3.
be paid out of the ordinary annual income and revenue of said city. That the estimated cost of such acquisition of all said lands, waters, water works, additional works and distributing system in connection with said lands and water, as and for water works for said city is four hundred thousand dollars, which sum is too great to be paid out of the ordinary annual income and revenue of said city.

Section 2. A special election is hereby called to be held in said City of Redlands on the *10th* day of *September*, 1901, at which said special election there shall be and hereby is submitted to the qualified voters of said city, to be voted upon at said special election, the following several propositions relating to such acquisition of said municipal improvements, to-wit:

First. Proposition to incur by said city a bonded indebtedness of ~~xxx~~ five thousand five hundred dollars, principal sum, payable in gold coin of the United States, in eleven years, in eleven equal annual installments, with interest thereon at *four and one half* per cent per annum, payable semi-annually, in like gold coin of the United States, for such acquisition of a lot and fire hall by said city; which acquisition is the purpose for which said bonded indebtedness of five thousand five hundred dollars is proposed to be incurred, and said sum is the amount of the principal of the indebtedness to be incurred therefor, and said rate of interest is the rate of interest to be paid thereon.

Second. Proposition to incur by said city a bonded indebtedness of two thousand five hundred dollars, principal sum, payable in gold coin of the United States, in five years, in five equal annual installments, with interest thereon at *four and one half* per cent per annum, payable semi-annually, in like gold coin, for such acquisition of a new city jail, by said city; which acquisition is the purpose for which said bonded indebtedness of two thousand five hundred dollars is proposed to be incurred, and said sum is the amount of the principal of the indebtedness to be incurred therefor, and said rate of interest is the rate of interest to be paid thereon.

Third. Proposition to incur by said city a bonded indebtedness of four hundred thousand dollars, principal sum, payable in forty years, in

4.

forty equal annual installments, in gold coin of the United States, with interest thereon at *four and one half* per cent per annum, payable semi-annually, in like ~~xxx~~ gold coin, for such acquisition of water works and source and supply of water by said city; which acquisition is the purpose for which bonded indebtedness of four hundred thousand dollars is proposed to be incurred, and said sum is the amount of the principal of the indebtedness to be incurred therefor, and said rate of interest is the rate of interest to be paid thereon.

If the aforesaid first proposition to incur a bonded indebtedness of five thousand five hundred dollars for such acquisition of a lot and fire hall by said city shall be accepted by the vote of two-thirds of all the voters voting at said special election, the bonds of said city to the amount of five thousand five hundred dollars shall issue for the payment of the cost of said public improvement as follows, to-wit: Such bonds shall consist of eleven bonds, each of the denomination of five hundred dollars, numbered consecutively from 1 to 11, both inclusive, and shall bear interest at the rate of *four and one half* per cent per annum, payable semi-annually, and shall be signed by the Executive of said city, viz: the President of the Board of Trustees thereof, and by the Treasurer of said city, and countersigned by the Clerk thereof. Coupons for interest shall be annexed to said bonds, numbered consecutively and signed by said Treasurer; both the principal and interest of said bonds shall be payable in gold coin of the United States of America, at the city Treasury in the said City of Redlands. The said bonds shall be of the character known as serials, and shall be payable in the manner following: one-eleventh part of the said principal sum of said indebtedness, to-wit: five hundred dollars shall be paid each and every year at the City Treasury in said City of Redlands, together with the interest on all sums unpaid at such date; provided that the interest on said bonds shall be payable semi-annually, as aforesaid.

If the aforesaid second proposition to incur a bonded indebtedness of two thousand five hundred dollars for such acquisition of a new city jail by said city shall be accepted by the vote of two-thirds of all the voters voting at said special election the bonds of said city to the amount

57

of two thousand five hundred dollars shall issue for the payment of the cost of said new city jail as follows, to-wit: Such bonds shall consist of five bonds, each of the denomination of five hundred dollars, numbered consecutively from 1 to 5, both inclusive, and shall bear interest at the rate of *four and one half* per cent per annum, payable semi-annually, and shall be signed by the Executive of said city, viz: the President of the Board of Trustees thereof, and by the Treasurer of said city, and countersigned by the Clerk thereof. Coupons for interest shall be annexed to said bonds, numbered consecutively and signed by the Treasurer. Both the principal and interest of said bonds shall be payable in gold coin of the United States of America, at the City Treasury in the said City of Redlands. The said bonds shall be of the character known as serials, and shall be payable in the manner following; one-fifth part of the said principal sum of said indebtedness, to-wit: five hundred dollars shall be paid each and every year at the City Treasury in said City of Redlands, together with the interest on all sums unpaid at such date; provided that the interest on said bonds shall be payable semi-annually, as aforesaid.

If the aforesaid third proposition to incur a bonded indebtedness of four hundred thousand dollars for such acquisition of water works by said city shall be accepted by the vote of two-thirds of all the voters voting at said special election the bonds of said city to the amount of four hundred thousand dollars shall issue for the payment of the cost of said public improvements as follows, to-wit: Such bonds shall consist of four hundred bonds, each of the denomination of one thousand dollars, numbered consecutively from 1 to 400 both inclusive, and shall bear interest at the rate of *four and one half* per cent per annum, payable semi-annually, and shall be signed by the Executive of said city, viz: the President of the Board of Trustees thereof, and by the Treasurer of said city, and countersigned by the Clerk thereof. Coupons for interest shall be annexed to said bonds, numbered consecutively and signed by said Treasurer. Both the principal and interest of said bonds shall be payable in gold coin of the United States of America, at the City Treasury in the said City of Redlands. The said bonds shall be of the character known as serials, and

shall be payable in the manner following: one-fortieth part of the said principal sum of said indebtedness, to-wit: ten thousand dollars shall be paid each and every year at the City Treasury in said City of Redlands, together with the interest on all sums unpaid at such date; provided that the interest on said bonds shall be payable semi-annually, as aforesaid.

Section 4. That the said several principal sums of proposed indebtedness, of two thousand five hundred dollars, five thousand five hundred dollars, and four hundred thousand dollars, will not ~~extend~~^{exceed}, together with all the other indebtedness of said city for public improvements, in the aggregate, fifteen per cent of the assessed value of all the real and personal property in said City of Redlands.
