

RESOLUTION NO. 2257

A RESOLUTION OF THE CITY OF REDLANDS STATING THE POLICY OF THE CITY COUNCIL
RELATIVE TO DEDUCTIBLE BUSINESS EXPENSE FOR INCOME TAX PURPOSES.

THE CITY COUNCIL OF THE CITY OF REDLANDS ORDAINS AS FOLLOWS:

"WHEREAS, it is necessary to determine policy regarding the expense of
City Officers and supervisory employees when participating in service clubs
and other community organizations; and,

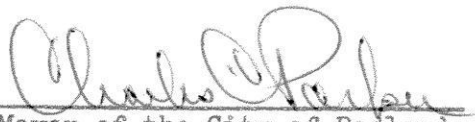

WHEREAS, in business, these are normally considered ordinary employee
business expenses for the purpose of calculating personal income tax; and,

WHEREAS, such expenses are not reimbursable for City Officers and super-
visory employees as a matter of policy, but the need for participation in such
organizations is of equal or more importance for such City Officers and em-
ployees than for officers and employees of private firms;

NOW, THEREFORE BE IT RESOLVED BY THE COUNCIL OF THE CITY OF REDLANDS
that the Council finds and determines that participation by City Officers
and supervisory employees in service clubs and other community organizations
is necessary and desirable in order for the City government and such public
officers and employees to effectively and efficiently serve the community,
and that expense incurred by such officers and employees in such activities
is ordinary and reasonable business expense, and be it further resolved that
although such expenses of such officers and employees are not subject to
reimbursement under existing City policy, City Officers and supervisory
employees be urged to participate in service clubs and organizational activ-
ities as a part of the duties of their positions.

This resolution includes supervisory employees such as Department and
Division Heads and it is principally concerned with this type of employment."

ADOPTED, SIGNED AND APPROVED THIS 5 DAY OF *February*, 1963.
