

RESOLUTION NO. 4809

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF REDLANDS
APPROVING THE SITING OF THE CHINO BASIN MUNICIPAL WATER
DISTRICT MANURE/SLUDGE CO-COMPOSTING PROJECT**

WHEREAS, residential and commercial development has increased, agricultural activities have decreased, and less land has been available for application of sludge and manure; and

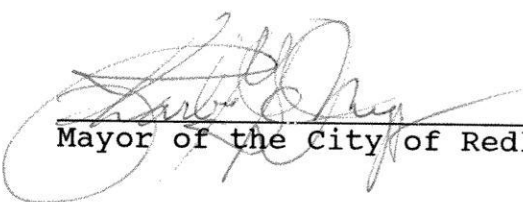

WHEREAS, both the Chino Basin Municipal Water District (CBMWD) and the dairies overlying the Chino groundwater basin need a reliable and economical method of disposing of surplus sludge and manure without negatively impacting water supplies; and

WHEREAS, the CBMWD has completed a Solid Waste Facilities Permit application for establishment of the Chino Basin Municipal Water District Manure/Sludge Co-composting Project; and

WHEREAS, Assembly Bill 2296 and the Public Resources Code Section 50000 provides that the establishment of a new or expanded solid waste facility be determined by a concurrence of the Board of Supervisors, and a majority of the majority of the Cities within the County having a majority of the incorporated population;

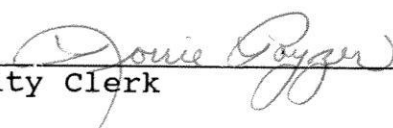

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Redlands does hereby approve the Chino Basin Municipal Water District Manure/Sludge Co-composting Project.

ADOPTED, APPROVED AND SIGNED this 5th day of November, 1991.

Mayor of the City of Redlands

ATTEST:

City Clerk
