

#304

Resolution No. 304

RESOLUTION OF INTENTION NO. 304

Resolved, That it is the intention of the Board of Trustees of the City of Redlands to order the following street work to be done, to-wit:

The construction of an eight-inch vitrified public sewer in said city beginning at and connecting with the sewer on Brockton avenue, at a point midway between Herald street and Sixth street, and thence extending in a northerly direction to a point thirty feet south of the south line of Lugonia avenue, together with and as a part of said sewer one flush tank, one manhole and such number of Y branch laterals as are shown on the plans therefor and of such size and dimensions and to be placed where and as shown on such plans and the specifications therefor and all said sewer pipes, manhole, flush tank and all other work connected therewith and materials therefor shall be constructed as provided by and in accordance with the specifications, plans, profiles and cross sections therefor on file in the office of the City Engineer in said city, to all of which reference is hereby made.

That the work of constructing said sewer is, in the opinion of the Board, of more than local and ordinary public benefit and the expense of said work is hereby made chargeable upon the district hereinafter specified.

That the exterior boundaries of the district hereby established and the exterior boundaries of the lands hereby declared to be benefited by said work and improvement and to be assessed to pay the costs and expenses thereof, are described as follows:

Beginning at the southwest corner of lot 1 of the Brock and Bennigsdorf Addition to the city of Redlands, thence north to the northwest corner of lot 47 of said Addition, thence east to the northeast corner of lot 48 thereof, thence south to the southeast corner of lot 2 thereof, thence west to the place of beginning.

The City Clerk is hereby directed to publish this resolution twice in the manner required by law, in the Redlands Daily Facts, a daily newspaper published and circulated in said city, hereby designated for that purpose.

The Superintendent of Streets of said city is hereby directed to post notice of the passage of this resolution in the manner and in the form and as required by law.

I hereby certify that the foregoing resolution was adopted by the Board of Trustees of said city of Redlands at a regular meeting thereof held on September 4, 1912

R. WARNER THOMAS,

NOTICE OF AWARD OF CONTRACT NO. 304

Pursuant to the resolution of award of the Board of Trustees of the City of Redlands adopted on the 1st day of October, 1912, directing this notice, notice is hereby given that the said Board of Trustees, in open session, on said date, opened, examined and publicly declared all sealed proposals or bids offered for the following street work, to-wit:

The construction of an eight-inch vitrified public sewer in said city beginning at and connecting with the sewer on Brockton avenue, at a point midway between Herald street and Sixth street, and thence extending in a northerly direction to a point thirty feet south of the south line of Lugonia avenue, together with and as a part of said sewer one flush tank, one manhole and such number of Y branch laterals as are shown on the plans therefor and of such size and dimensions and to be placed where and as shown on such plans and the specifications therefor and all said sewer pipes, manhole, flush tank and all other work connected therewith and materials therefor shall be constructed as provided by and in accordance with the specifications, plans, profiles and cross sections therefor on file in the office of the City Engineer in said city, to all of which reference is hereby made.

That the work of constructing said sewer is, in the opinion of the Board, of more than local and ordinary public benefit and the expense of said work is hereby made chargeable upon the district hereinafter specified.

That the exterior boundaries of the district hereby established and the exterior boundaries of the lands hereby declared to be benefited by said work and improvement and to be assessed to pay the costs and expenses thereof, are described as follows:
