

City of Redlands,)
County of San Bernardino,) SS.
State of California,)

I, R. Warner Thomas, City Clerk of the City of Redlands, do hereby certify and declare that the foregoing constitutes a true and correct copy of the report, assessment and plat, as finally ~~confirmed~~, approved and adopted by the Board of Trustees of the City of Redlands.

WITNESS my hand and the seal of the City of Redlands
this 8th day of September, 1910.

City Clerk.

Rodriguez, California,

August 1, 1910.

To the Honorable Board of Trustees

of the City of Redlands, California.

Gentlemen:

We, the undersigned duly appointed and qualified Commissioners to assess the benefits and damages for the opening of an alley 10 feet in width and extending through Brock and Bendingsdorf Addition from the north line of Brockton Avenue to the south line of Western Avenue, do hereby make a written report as follows:

That we have carefully viewed the lands described in that certain Resolution of Intention #227 passed by your honorable Board on May 4th, 1910, declaring your intention to open said alley, and that we have carefully viewed the land to be taken for the said work, and the improvements and property affected thereby; that, having done so, we proceeded with all diligence to determine the value of the land to be taken for the said work or improvement, and the damage to the improvements and property affected thereby; and also the amount of expenses incident to said work or improvement; that, having determined the same, we proceeded to assess, and did assess, the same upon the district of lands declared benefited, the exterior boundaries of which were affixed by said Resolution of Intention.

We proceeded to determine, and did determine, the proportionate amount of benefit to be derived by each piece or parcel of land within said district from said proposed work or improvement, and said assessment was made upon the lands within said district in proportion to the benefit to be derived from said work or improvement, so far as we could reasonably estimate the same, including in such estimate the property of any railroad company within said district.

That the total amount of the value of said land taken for said work or improvement, together with the damage to said improvements and property affected thereby, and the expenses incident to the same, as said total amount has been assessed by us, in the sum of \$ 506.00, as will more fully appear from the schedule hereunto attached and made a part of this report.

That we have assessed the sum of \$ 506.00 upon the lands within said district in proportion to the benefit to be derived by said lands from said work or improvements, so far as we can reasonably estimate the same, including in such estimate the property of any railroad company within said district.

That we have made, and accompany this report with, a plat of the assessment district, showing the lands taken or to be taken for said work or improvement, and the land assessed; showing the relative location of each block, lot or portion of lot and its dimensions, so far as we can reasonably ascertain the same. Each block, lot or portion of lot taken or assessed, is designated and described in said plat by an appropriate number. Said plat is hereto attached and marked "Exhibit A."

That the amount of \$8.73 mentioned as subsequent expenses, is intended to cover any subsequent expense after filing of this report, to wit: for recording deeds, advertising, etc., which may hereafter be necessary in the course of proceedings to complete said work or improvement.

Respectfully submitted,

John C. Hendricks
Fred H. Galt
W E Putnam

SCHEDULE OF PROPERTY AND LAND AFFECTED OR TAKEN for the opening of an alley 10 feet wide extending from the north line of Brockton Avenue to the south line of Western Avenue, pursuant to that certain Resolution of Intention #287 passed May 4th, 1910; the several parcels of property affected or taken being delineated and shown on the accompanying plat, and thereon designated in brown ink by consecutive numbers from 1 to 24 inclusive, and being here designated by corresponding numbers; opposite each number being placed the name of the owner or claimant of such parcel with the particulars of interest, so far as ascertainable; and opposite each number so designating one of said parcels, and to the right of such number, being placed the amount of compensatory damages allowed and awarded for the parcel so taken or damaged.

Name of owner or claimant with particulars of interest, (each being the owner of entire interest in fee, so far as ascertainable, except where otherwise specified.)	Parcel as Designated by Number	Amount of value of land taken, incl- uding amount of damages to improvements and property affected
