

RESOLUTION NO. 4635

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF REDLANDS
ORDERING THE WORK IN CONNECTION WITH ANNEXATION NO. 1 TO
STREET LIGHTING DISTRICT NO. 1

WHEREAS, the City Council of the City of Redlands did on the 20th day of March, 1990, adopt its Resolution of Intention No. 4634 to order the therein described work in connection with the Annexation No. 1 to Street Lighting District No. 1, which Resolution of Intention No. 4634 was duly and legally published at the times, and in the form and manner as required by law, shown by the affidavit of Publication of said Resolution of Intention on file in the office of the City Clerk; and

WHEREAS, after the adoption thereof, notice of the passage of said Resolution of Intention, headed "Public Notice," was duly mailed in the time, form, and manner as required by law, as appears from the Affidavit of Mailing said Notice, on file in the office of the City Clerk; and

WHEREAS, said City Council having duly received and considered evidence, oral and documentary, concerning the jurisdiction facts in this proceeding and concerning the necessity for the contemplated work and the benefits to be derived therefrom; and

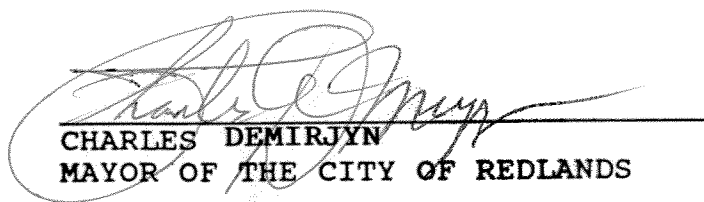

WHEREAS, said City Council has determined that a majority protest does not exist; and

WHEREAS, said City Council having now acquired jurisdiction to order the proposed work;

SECTION 1. It is hereby resolved by the City Council of the City of Redlands that the public interest and convenience requires Annexation No. 1 to the district and the ordering of the work, and said City Council hereby orders that the work, as set forth and described in said Resolution of Intention No. 4634, be done and made; and

SECTION 2. Be it further resolved that the report filed by the Engineer is hereby finally approved.

APPROVED AND ADOPTED this 3rd day of April, 1990.

CHARLES DEMIRJYN
MAYOR OF THE CITY OF REDLANDS

CUP 405, CRA 354, CRA 346, CRA 607, Tract 12461, and
PM 12022)

Dear Ms. Poyzer:

Enclosed is a copy of a letter to Ms. Paula McGrew regarding an annexation to the City of Redlands Street Lighting District No. 1. In the letter I recount several items of work that must be undertaken by the city staff.

Included in the letter is the information regarding the distribution of copies of the report for the March 20, 1990 City Council meeting. Please review the letter and if you have any questions regarding these suggested procedures, please feel free to contact me.

Please note that the four resolutions included in the engineer's report have blanks in them in which previous resolution numbers must be inserted. These resolutions are therefore incomplete as they exist at the present time.

The third resolution in the booklet is the City Council's resolution of intention of holding a public hearing to consider any public comments regarding the annexation into the landscape maintenance district. This resolution must be published once at least ten days prior to April 3, 1990 which is the date for the public hearing.

I am also enclosing an unbound copy of the report and resolutions for your files. You had previously requested this set.

Sincerely,

A handwritten signature in cursive script, appearing to read "Noel L. Christensen".

CUP 405, CRA 354, CRA 346, CRA 607, Tract 12461, and
PM 12022)

Dear Ms. McGrew:

Enclosed are twenty copies of the booklet containing the Engineer's Report and associated resolutions for the Annexation No. 1 to Street Lighting District Number 1 in the City of Redlands. This involves boundaries of MS 185, MS 178, PM 12061, PM 12300, CUP 382, CRA 606, CRA 486, CUP 253, CRA 608, CUP 519, CUP 516, CUP 518, CUP 522, CUP 521, CRA 605, MS 183, MS 182, CUP 278, CUP 405, CRA 354, CRA 346, CRA 607, Tract 12461, and PM 12022. The originals of the Assessment Diagram are included and should be delivered to, and filed with the City Clerk. The copies of the booklet should be distributed for the March 20, 1990, Council meeting.

Included in the booklet are four resolutions and the Engineer's Report. For your information I will summarize the contents of the booklet and suggest procedures to be followed which will result in the formation of the district.

1. The Engineer's Report outlines the improvements which will be installed and estimates the dollar value required for the maintenance of the improvements and incidental expenses through the end of the 1989-90 fiscal year.
2. The first Resolution appoints Engineer of Work for the district and orders the preparation of the Engineer's Report. The second resolution gives preliminary approval of the Engineer's Report. The third resolution is the Council's declaration of intention of ordering the annexation to Street Lighting District No. 1, specifying the boundaries of the district, and setting April 3, 1990 as the date for the public hearing to consider the formation.

March 7, 1990

The first three resolutions in the booklet should be adopted by the City Council at their March 20, 1990, meeting, and should be consent calendar items.

3. I am also including an Affidavit of Posting of Notice of Improvement which will be required to be executed by Pete Laaninen as the Street Services Manager certifying that he has posted the property in compliance with the order of the City Council. The Notice of Improvement should be posted at intervals of not more than 300 feet along the streets within and surrounding the proposed assessment district.
4. Following the City Council's adoption of the third resolution of the booklet (Resolution of Intention), an executed copy should be mailed by the City Clerk to all the owners of record on the attached listing.

The City Clerk should certify the mailing of the copy of the resolution to each of the listed owners.

5. The last resolution within the booklet is a resolution which will be adopted following the public hearing on April 3, 1990. It either approves or modifies and approves the Engineer's Report, forms the district, and confirms the assessments.
6. Following the public hearing on April 3, 1990, the City Clerk should obtain the signatures on the original mylars of the Assessment Diagram and retain the map in her files.

If you have any questions on any of the outlined procedures, please let me know.

Sincerely,

Noel L. Christensen
President
