

RESOLUTION NO. 3477

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF REDLANDS SUPPORTING
ASSEMBLY BILL 3659.

BE IT RESOLVED by the City Council of the City of Redlands as follows:

WHEREAS, existing law does not specifically provide for financial assistance to public agencies seeking to reduce their use of energy; and

WHEREAS, rapidly increasing energy costs are becoming an ever-increasing portion of governmental budgets; and

WHEREAS, energy conservation techniques have been demonstrated to be the best way of meeting future energy demands and extending the use of limited energy resources into the future; and

WHEREAS, increasing efficiencies of energy using systems is recognized as one of the most cost-effective methods of reducing energy demands; and

WHEREAS, most public agencies lack the financial resources necessary to initiate programs to improve the efficiency of their energy using systems; and

WHEREAS, AB 3659 would provide for the allocation of funds to public agencies requesting assistance in improving their use of energy;

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Redlands supports and urges the passage of AB 3659 by the State Legislature and its signing by the Governor.
