

RESOLUTION NO. 6317

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF REDLANDS
SUPPORTING PASSAGE OF MEASURE "I" ON THE NOVEMBER 2, 2004 BALLOT**

WHEREAS, since 1990, Measure I has supplied San Bernardino County with the funding to provide its residents with safer roads, more reliable public transit and traffic congestion relief; and

WHEREAS, San Bernardino County is one of the most rapidly growing counties in California and is anticipated to grow to a population of more than 2.6 million people by the year 2025; and

WHEREAS, a substantial level of transportation funding throughout San Bernardino County and its cities is provided by Measure I; and

WHEREAS; extending Measure I will raise nearly \$6 billion for much needed transportation projects, programs and improvements in San Bernardino County between 2010 and 2040; and

WHEREAS; Measure I will provide major improvements to all freeways and highways within the county; and

WHEREAS; Measure I will expand public transit programs and options for commuters, seniors and riders with disabilities; and

WHEREAS; if Measure I is not extended, the transportation network within San Bernardino County would be seriously crippled, adversely affecting commuters and residents throughout the county; and

WHEREAS; by passing Measure I on the November 2004 ballot, San Bernardino County will ensure a stable source of locally controlled funding to relieve traffic congestion, increase public transit programs, build new highways and improve local streets; and

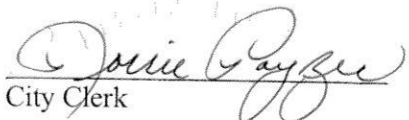

WHEREAS; passing Measure I would ensure that the City of Redlands would be able to provide a safer environment to their residents and maintain the high quality of life we enjoy.

THEREFORE BE IT RESOLVED, that the City of Redlands hereby **SUPPORTS** the passage of Measure I on the November 2, 2004 ballot.

ADOPTED, SIGNED AND APPROVED this 7th day of September, 2004.

Mayor of the City of Redlands
